

98. (new) A method in accordance with claim 97, wherein said compound is selected from the group consisting of:

REMARKS

Claims 1-84 were presented for initial examination and were subject to a Restriction Requirement (see Paper No. 8). In response to the requirement, Applicants elected the invention provided as Group II, claims 37-49, 52-79, 81 and 82, and further elected compound 12 (see Example 12, page 41) pursuant to a species election.

Applicants have now provided new claims 85-98, which embrace the elected species and do not exceed the scope of independent claims 37 or 52 as filed. Support for these claims can therefore be found in the claims as filed. Applicants believe no new matter is presented.

CONCLUSION

In view of the foregoing, Applicants believe all claims now pending in this Application are in condition for substantive review on their merits.
